

REMARK

Responsive to the election requirement, Applicant hereby elects Group I (claims 1-9), without traverse. Also, claim 11 is amended to recite, "A printed circuit board made by using the method of claim 1." Accordingly, Applicant believes that the restriction between claims 1-9 and amended claim 11 is not necessary. Applicant respectfully requests that the Examiner also consider claim 11 together with elected claims 1-9.
